MES & MCS POLICIES AND PROCEDURES

MES DAILY SCHEDULE

MES 9:00 a.m. - 3:30 p.m.

AM Kindergarten 9:00 a.m. - 11:45 a.m.

PM Kindergarten 12:45 p.m. - 3:30 p.m.

AM Preschool 9:00 a.m. - 11:30 a.m.

PM Preschool 12:30 p.m. - 3:00 p.m.

ATTENDANCE

MES Attendance Line: 924-3777

After 9:00 am: 985-6080

The Madeira City Schools have a high regard for academic excellence and scholarship. School attendance and time spent in study have a significant relationship to achievement. It is important that good attendance patterns and work habits be established early.

Ohio School Law states that it is the responsibility of the parents to assure the regular daily school attendance of their child/children (ages 6-18) unless absences are a result of the following:

- Personal illness
- Illness in the family
- Death of a relative
- Quarantine
- Observance of religious holidays
- Emergency or set of circumstances judged as sufficient cause by school officials

Parents are to notify the school at each day if a student is to be absent or tardy. By law, a school official must contact the parent if the school has not been notified of a student's absence. Parents are to make note of the school calendar and schedule vacations when school is out of session. Any interruption in a child's learning pattern often causes setbacks that are difficult to overcome. Any child arriving after 10:45 a.m. or leaving two hours before the end of the day may not participate in any school district related extra-curricular activities on that day.

Excessive Absences Intervention

Excessive absences or unexcused absences will be referred to Hamilton County if a negative pattern is established early in the year. Students with a history of absences will be reported to Hamilton County for Intervention. The principal determines the need for such a notification. If non-attendance at school becomes a problem, the parents/guardians of the student will be contacted by the main office as follows:

After 10 Days of Absence with Parental Note or Phone Call - A letter will be sent home outlining the attendance policy and informing parents of the **need for a doctor's note** for their child to receive an excused absence in the future. A record of attendance to date will be attached.

Truancy From School

A student will be considered habitually truant if the student is absent without a legitimate excuse for, thirty (30) or more consecutive hours, forty-two (42) or more hours in one (1) month, or for seventy-two (72) or

more hours in one (1) school year. If a student is habitually truant and the student's parent has failed to cause the student's attendance, the Board authorizes the Superintendent to file a complaint with the Judge of the Juvenile Court and/or to take any other appropriate intervention actions as set forth in this Board's policy.

TARDINESS

Students who arrive after 9:00 a.m. will be marked tardy. Excessive tardiness may be reported to the Hamilton County attendance officer. If you are dropping off your child in the morning, please be sure to allow them time to be in their classroom by 9:00 for a consistent start to their school day.

EARLY DISMISSAL

Parents requesting early dismissal should send a note to the classroom teacher at the start of the school day. Please date these notes and indicate the time and reason for the request. Parents must come to the school office to pick up the child. If returning on the same day to school, students must report to the office. Parents are encouraged to schedule appointments with doctors or dentists after school hours. However, if an appointment must occur during school hours, it should be made as early or as late in the school day as possible.

AUTHORIZATION TO RELEASE: Only persons listed on the Emergency Medical Information form have authorization to pick up your child from school. Other persons not listed must receive prior authorization via written notification from parents.

BEFORE/AFTER SCHOOL

The Before School Program is a planned program, operated by Champions, offering quiet group and/or individual activities from 7:00 a.m. to 9:00 a.m. for children attending MES each morning school is in session. This program is designed for children whose parents work and find it necessary to bring their children to school earlier than 8:50 a.m. each morning. A light breakfast is served just before dismissal to class. The After School Program is a program operating during the after school hours at MES by Champions and is designed primarily for children who have working parents. The program operates from school dismissal to 6:00 p.m. each day school is in session. The students are served a nutritional snack and are able to choose from a variety of activities. A time for completing homework assignments is also provided. All special programs are tuition funded. Payments are divided over nine months. No taxpayer dollars go to support these programs. Please check our website for additional information.

BICYCLES

Bicycles may be ridden to school and are to be parked in the rack on the side of the school. Pupils riding bicycles are to get off of them as soon as they reach the sidewalk by school and walk them to the rack. At dismissal, bicycles are not to be ridden until pupils leave the school grounds. Students riding bicycles must cross with the school crossing guard in both the morning and afternoon. Parents should review the safety rules with their children and encourage children to lock their bikes at all times.

BIRTHDAYS

Often children want to celebrate their birthdays by bringing in treats for their classmates. Please contact your child's teacher ahead of time to make arrangements to bring in one small individually wrapped treat that will be eaten at lunch time, ½ day Preschool and kindergarten classes will serve it mid-session. It is requested that no birthday invitations be distributed at school. Not only do we lose valuable educational time, but it can also cause hurt feelings. If addresses are needed, please consult the MES Directory.

CALENDAR

Please refer to the Madeira School District calendar for dates of upcoming important events. This calendar is also available on the website.

CELL PHONES

Cell phones are **not** permitted at MES. **With permission**, students may use school phones if they must make a call. If you must reach your child please call the office at 985-6080 and to leave them a message.

CLOSINGS AND DELAYS

In the event of severely inclement weather or mechanical breakdown, school may close, the starting time may be delayed or an early dismissal from school may be necessary. Our automated call system, Public School Works, will make a call. If you have opted out of receiving the emergency calls, you can rely on Listserv, the radio, or television. A school delay means that school starts two (2) hours later. Buses also run two (2) hours later also.

CUSTODY

The school is required by law to honor all custody agreements decided through legal proceedings. It is imperative that the school be provided with any legal documents pertaining to joint or sole custody rights. School personnel have no legal means of prohibiting an estranged parent from seeing or picking up a child unless custody information has been provided to the school.

DRESS CODE

School attire should be in good taste and conducive to learning. Clothing that depicts smoking, obscene language or alcohol are inappropriate. Parents will be asked to bring a change of clothing so that the child may return to class. Haircut/styles must not disrupt learning. Clothing must be modest, no spaghetti straps or tank tops. Choose appropriate clothing for the temperature. Children who do not have warm clothing will be kept indoors on cold days. **In the interest of safety, no skate shoes, sandals, slip-ons or dress shoes with hard soles.** Crocs MUST have a strap across the heel. Shoes with black soles often leave marks on our floors. ***Light colored rubber soled shoes are preferred.***

EARLY DISMISSAL DAYS

There are three (3) ***early dismissal*** days throughout the school year. These days are used for ***Teacher Professional Development***.

Dismissal is at 2:00 p.m.

Kindergarten AM: 9:00-11:45 a.m.

Kindergarten PM: 12:45-2:00 p.m.

Preschool AM: 9:00 – 11:00 a.m.

Preschool PM: 12:00 – 2:00 p.m.

EMERGENCY DRILLS

Fire, tornado and safety lockdown drills are required by law and are conducted periodically to provide students the opportunity to practice and be prepared for such scenarios. In the event of an emergency, every attempt will be made to provide a safe and reassuring environment for all students.

FEES

A schedule of student fees and method of payment will be provided at the beginning of the school year. Fees are used to cover the cost of consumables (i.e.: workbooks, etc.). Please pay these fees by the end of the first week of school. If you are unable to pay the fees by this date, notify the school office immediately so that other arrangements can be made.

GRADES AND GRADING (Grades 1-4)

Report cards are sent to parents at the end of each quarter. Mid-term progress reports are sent home 1st quarter. Midterms progress reports for the 2nd, 3rd and 4th quarters are sent home on an as needed basis. Refer to the calendar for specific dates. Both must be signed by a parent and returned to the teacher.

90-100 =	A
80-89 =	B
70-79 =	C
60-69 =	D
59 and below	U (not passing)

(*First grade students are **not** graded their first quarter of school because it is a transitional time for the child.)

Progress Book code is sent home at the start of each school year. This allows parents to monitor their child's progress in each subject area.

HOMEWORK POLICY

Home study is a necessary and important part of each student's educational progress. Some assignments are long range while others are nightly. Parents can assist their children by providing a suitable study area and showing an interest in what the children are doing without actually doing the work for them. It is important to talk to them daily about school and what is happening there.

Homework expectations for the grade levels are as follows:

Preschool and Kindergarten

- 15 minutes reading nightly

Parents should read to their children daily and encourage an interest in books.

1st Grade

- 20 minutes reading nightly
- Review of sight words nightly
- Other work as assigned
- Sharing as assigned

Parents should review and correct the child's daily papers with their child. A child should also read to his/her parents. As the year progresses, parents can help the child master number facts, sight words, spelling words, and writing skills.

2nd Grade

- 20 minutes reading nightly
- 10 minutes of math nightly (Mon. - Thurs.)
- Tests and special projects as assigned

Students should read for at least 15-20 minutes each night. They should learn weekly spelling words and learn addition and subtraction facts. Parents should supervise the correction of papers if required by the teacher. (Homework time is 30-40 minutes.)

3rd Grade

- 20-30 minutes reading nightly

- 5-10 minutes math fact practice nightly
- Review spelling words nightly
- Written language arts and math practice assigned weekly
- Test preparation and other work as assigned

Student plan books are used by the students to manage their assignments and record nightly reading. Parents should check these nightly to ensure assignments are being completed. The average time for homework should be 30-45 minutes.

4th Grade

- 30 minutes reading nightly
- Review spelling words nightly
- Review math facts nightly
- Written language arts and math practice assigned weekly
- Science and Social Studies test preparation

Student plan books are used by the students to manage their assignments. Students and parents should check these nightly to ensure that assignments are being completed. The average time for homework should be 30-45 minutes.

ILLNESS

If your child has a fever, vomiting or diarrhea, he or she should remain at home for a minimum of a 24 hour period. Your child may return to school only after he or she has been temperature free for 24 hours without the use of Tylenol, aspirin, etc. Following your child's absence, send a note to us for our files so that we may be in compliance with state law. Teachers will give students an opportunity to make up required assignments. If the assignments are not completed, the student will receive an "incomplete" for that work. If a student becomes ill in school, he/she will report to the office for appropriate follow-up action. If necessary, parents will be notified for advice (i.e.: should the student be picked up, etc.)

LIBRARY

We welcome your support of the "Love Our Library" program at Madeira Elementary School by allowing your child to donate a book in celebration of his/her birthday. With a suggested \$15 donation, your child may select a brand new book from recently purchased titles. A personalized bookplate will be placed in the book and your child's picture and book selection will be posted at the entrance of the media center. Additionally, your child will be the first to checkout the book. If your child has a summer birthday, we will send home participation forms home in the spring.

LISTSERV

The directions for the Listserv are:

- Go to the Madeira City Schools web page and click on district communications.
- Click on the link of "list serves"
- Follow the directions to subscribe to the listserve.

LOST AND FOUND

To help students when they misplace items, parents should write a student's name on clothing, backpacks, and lunch containers. Students should periodically check the lost and found for misplaced items. Any items that are not claimed will be donated to a local charity.

LUNCH

Menus are online. An online account may also be set-up for students via www.spsezpaymilfordexempted.com. Lunch cost is \$2.50; milk is 50 cents.

MEDICATION

Medication is to be administered at home. In extreme cases when medication is required during the school day there must be compliance with the following policy:

- Prescription drugs or non-prescription drugs to be taken at school must be accompanied by a doctor's order and labeled with all necessary information including the student's name, the date, the name of the drug and the time intervals when the drug is to be taken. Non-prescription medication including lip balm is not permitted in school unless prescribed by a doctor.
- Medications must be brought to school in a container appropriately labeled by the pharmacy or physician. Students may not bring the medicine to school. This must be done by the parent or a designee.
- A release form and written permission from the parent/guardian and doctor of the student requesting that medication be given or taken during school hours must be on file in the main office. These permission forms must be obtained through the main office.
- New release forms must be obtained each year and as necessary for changes in medication order.
- All medication to be taken in school will be stored in the office, out of view. Students are responsible to go to the office to receive their medication at the proper time.

MONEY

Unless requested to do so in a note from school, do not send large amounts of money to school with your child.

MP3 PLAYERS / IPODS

Students are discouraged from bringing iPods and MP3 players to school. They may not be used during school hours, but may be used on the bus ride to and from school. The school assumes no liability for loss or damage.

PARENT ADVISORY COUNCIL (PAC)

Each grade level has a representative whose responsibility it is to disseminate information, answer questions, and listen to concerns (except for personnel matters). PAC meets quarterly. Refer to page 6 for the representatives' names and phone numbers.

PARENT CONFERENCES

Conferences are scheduled usually in October and February. In addition, teachers or parents may request special conferences as needed. As always, parents are encouraged to visit MES, but please check in the office first.

PERFORMANCES

Each year every child performs in one grade level musical. (grades K-4) These musicals are held in the high school auditorium. Family and friends are invited to attend the performance. Please note that students must be present in school in order to participate in school sponsored after school activities (musicals, etc.) that same evening.

PLAYGROUND

We welcome the use of our playground facilities by the community on weekends and during the following hours: Mon-Fri, 6:00 p.m. to dusk.

PTO

The MES PTO provides an excellent opportunity for parents to become actively involved with their children's education. You are encouraged to participate. PTO has regularly scheduled meetings and is involved in school activities such as Room Parents, *MES MESsenger*, and Young Authors.

Your PTO sponsors *many* worthwhile programs, events, and services for MES. The continued success of these activities depends on *you!* Volunteers make the PTO a dynamic part of each student's time at school. Working parents in partnership with non-working parents are helping to move the PTO forward. There is much to do! It is our hope that every parent who wishes to become involved will have that opportunity! Membership is open to preschool through grade 4 parents and teachers.

The **PTO** is **YOUR** organization...
It functions best when **YOU** participate!

PROGRESS BOOK *see Grades and Grading*

PUBLIC LIBRARY VISITS

Our students will be visiting the Madeira Branch Library in the fall and spring. A schedule will be worked out with the librarian and shared with our students and parents.

SAFETY PROCEDURES

In conjunction with the Madeira Police and Fire Departments, plans are in place to keep all of our children safe. Should an emergency warrant evacuation of MES we would proceed to Silverwood Presbyterian Church for an attendance check then on to the high school. Parents would be notified and dismissal arranged from this site. No child would be released until everyone is safe and accounted for.

Should "Shelter in Place" be enacted, all students would be directed to the multi-purpose room in school and the building would be secured. No child would be released until the police lift the curfew and no one will be permitted to enter the building. Necessary provisions and communication devices are in place. Parent support and cooperation are imperative should this occur.

Textbooks are an important and expensive tool used to maximize the instructional program. Books are assigned to individual students. The conditions of the texts are recorded and students are responsible for returning them in the same basic condition. To preserve the books for many years to come, we request that each child cover their books, replacing the cover as needed. All books lost or damaged must be paid for at the end of the school year. Report cards will be held until all fees are paid.

TOYS

Students are not to bring toys, radios, CD players, etc. to school unless they have the permission of their teacher.

TRANSPORTATION

Transportation is a service provided by the Madeira City Schools Board of Education in accordance with the rules and regulations of the State of Ohio and should be regarded as a privilege by students and parents. **It is expected that those who ride the school buses will observe appropriate classroom conduct at all times.** All schedules, routes, and stops are under the direction of the Transportation Supervisor. In an effort to provide safety for the many students that ride our buses, it will be necessary to transport children to only one regular stop during the week. Arrangements for transportation to ride home with a friend, scout meetings, etc., will need to be the responsibility of the parent/guardian. If a family emergency arises that makes it necessary for a student to ride a bus to another location, please contact the **Transportation Office Supervisor Kathy Moses at 561-1366** or the school and every effort will be made to help resolve your problem. Any questions about transportation of pupils to and from our school are also best answered by contacting the Transportation Office.

To ensure the safety of your child, please review the below guidelines with your student. Additional safety information and a Frequently Asked Questions (FAQ) sheet can be found on the Transportation link on the district website. The following guidelines are also posted for students on the bus.

DISCIPLINE:

CODE OF CONDUCT

The Madeira City School District expects all students to follow the Code of Conduct (page 15) adopted by the Board of Education. These rules are essential for maintaining an orderly, efficient classroom environment which is conducive to learning.

BUILDING RULES

MES has implemented a PBIS (Positive Behavioral Interventions and Supports) model of behavioral interventions and supports to ensure that our students can engage in a safe and productive learning environment.

Disruptive / Violent Behavior

Any student who threatens serious harm to others, e.g. hitting, creating a "hit" list, etc., will be immediately referred to the principal for appropriate disciplinary action. After an investigation and gathering of information, an appropriate action will be taken which could result in immediate removal from school and subsequent suspension/expulsion. Any type of conduct that disrupts, endangers or threatens the orderly operation of the school or infringes upon the safety and well being of students, staff and any other person, will be considered prohibited conduct. The administration and/or the superintendent reserve the right to exercise discretion in considering what behavior is inappropriate or prohibited and what consequence will be applied.

5517.01 - BULLYING AND OTHER FORMS OF AGGRESSIVE BEHAVIOR

STUDENT NETWORK AND INTERNET ACCEPTABLE USE AND SAFETY AGREEMENT

To access email and/or the Internet at school, students under the age of eighteen (18) must obtain parent permission and must sign and return this form. Students eighteen (18) and over may sign their own forms. **Use of the Internet is a privilege, not a right. The Board of Education’s Internet connection is provided for educational purposes only. Unauthorized and inappropriate use will result in a cancellation of this privilege.**

The Board has implemented the use of a Technology Protection Measure, which is a specific technology that will protect against (e.g., block/filter) Internet access to visual displays that are obscene, child pornography, or harmful to minors. The Board also monitors online activity of students in an effort to restrict access to child pornography and other material that is obscene, objectionable, inappropriate and/or harmful to minors. Nevertheless, parents/guardians are advised that determined users may be able to gain access to information, communication and/or services on the Internet which the Board has not authorized for educational purposes and/or which they and/or their parents/guardians may find inappropriate, offensive, objectionable or controversial. Parents/Guardians assume this risk by consenting to allow their students to participate in the use of the Internet. Students accessing the Internet through the school’s computers assume personal responsibility and liability, both civil and criminal, for unauthorized or inappropriate use of the Internet.

The Board has the right to monitor, review and inspect any directories, files and/or messages residing on or sent using the Board’s computers/networks. Messages relating to or in support of illegal activities will be reported to the appropriate authorities.

As the parent/guardian of this student, I have read the Student Network and Internet Acceptable Use and Safety Policy and Guidelines, and have discussed them with my child. I understand that student access to the Internet is designed for educational purposes and that the Board has taken available precautions to restrict and/or control student access to material on the Internet that is obscene, objectionable, inappropriate and/or harmful to minors. However, I recognize that it is impossible for the Board to restrict access to all objectionable and/or controversial materials that may be found on the Internet. I will not hold the Board (or any of its employees, administrators or officers) responsible for materials my child may acquire or come in contact with while on the Internet. Additionally, I accept responsibility for communicating to my child guidance concerning his/her acceptable use of the Internet-i.e., setting and conveying standards for my daughter/son to follow when selecting, sharing and exploring information and resources on the Internet. I further understand that individuals and families may be liable for violations. To the extent that proprietary rights in the design of a web site hosted on the Board’s servers would vest in my child upon creation, I agree to assign those rights to the Board.

I give permission for my child to use and access the Internet at school and for the Board to issue an Internet/e-mail account to my child.
