

VIDEO/DIGITAL CAMERA CONTRACT

By signing below I am taking responsibility for the video/digital camera and peripherals that I am checking out. I will not allow friends or classmates to use such equipment. I understand that the equipment is in good working order and I will return it in the same condition or pay for repairs and/or replacement if lost, stolen or damaged.

I understand that I must obtain the equipment from the media center aide prior to 2:00 p.m.

I am responsible for returning the equipment and all peripherals to the media center aide (or the main office if she is unavailable) at the end of the day or the next school day. At that time she will check to see that the equipment is in good working order.
