

Madeira City Schools Health Alert Update - 1/21/22

This information is being provided as a part of district communication to let you know that we began working on Health Alert situations with Hamilton County Public Health (HCPH) for COVID-19 positive test results for students who have been at home. As a district and a part of our [My Madeira Promise](#), our first response must **always** be to show care and empathy for anyone who may be ill or become ill.

Hamilton County Public Health (HCPH) was contacted and advised on details of the incident and the incident responses have been recorded. All direct contacts involved have received notification to monitor for symptoms and follow the [HCPH Mask to Stay / Test to Play Guidance](#).
