MADEIRA SCHOOLS RELEASE QUALITY PROFILE

The Madeira City School District released its seventh annual Quality Profile (QP), a compilation of accomplishments from the 2018-2019 school year in areas most important to the Madeira community.

Madeira began producing the yearly QP in 2012 along with Forest Hills, Indian Hill, Loveland, Mariemont, Mason, Milford, Oak Hills, Sycamore and Wyoming school districts. Participating schools then surveyed residents to determine factors they valued in their child's education that were not represented on the state's report card; Academics, Arts, Student Leadership & Activities, Fiscal Stewardship, Parent & Community Involvement, Student Services, and Staff & District Recognitions. Today nearly 100 school districts throughout the state produce the annual report.

A few of the highlights included in the 2018-19 school year report are; three students earning a perfect score on the ACT test, sixth grade students spreading kindness through the community by painting and hiding Kindness Rocks, and the MHS Band & Orchestra's seventh annual Collaborative Concert with Indian Hill and Mariemont, conducted by Cincinnati Pops Conductor John Morris Russell.

The Quality Profile is supported by the Alliance for High Quality Education - an education consortium that works to improve educational opportunities for students, and represents member districts on matters of educational policy and funding.

The entire Quality Profile with interactive links can be found at www.madeiracityschoools under Welcome/Our Quality Profile. Copies will also be mailed to residents who call 924-3707.
