Madeira City School District's 2023 Educator of the Year

Madeira Elementary School (MES) Second Grade teacher Tammy Roberts has been named the Madeira City Schools Educator of the Year, and will represent the district at the 2023 Celebrate Excellence event in May.

The Hamilton County Education Foundation (HCEF) sponsors the Educator of the Year program through its Celebrate Excellence Program. The Celebrate Excellence Award recognizes and honors excellent educators throughout the public school districts of Hamilton County by providing scholarships to teachers and educational professionals. Madeira staff, parents and community members were asked to nominate a district educator who possesses a high commitment to student achievement, has the ability to challenge students at all levels, and extends him or herself to make a positive difference.

Ms. Roberts was instrumental in the establishment of the Madeira City Schools Optional Kindergarten Program and has taught at Madeira since 1986. She was surprised with the announcement when Superintendent Kenji Matsudo, MES Principal Chris Flanagan, and MES Assistant Principal Chandley Bacher visited her classroom on March 17. She will represent Madeira at the annual Celebrate Excellence Breakfast in May.

Madeira began participating in the HCEF's annual educator recognition event in 2015. Ms. Roberts is the sixth educator to represent Madeira and the first after a three year pause in the program due to the pandemic. Previous Madeira representatives were Kristina Wanstrath (2019), Jennifer Bruening (2018), Tracy Alley (2017), Kelly Wing (2016), and Megan McKee (2015).
