Madeira School Board Appoints Dave Eberly as New Member

At their August 10 meeting, the Madeira City School Board of Education appointed Dave Eberly as its newest member. Eberly joins the Board to replace Pat Shea, who resigned from his position July 13, and will complete Shea's term which runs through December 31, 2021.

Mr. Eberly is a long-time Madeira community member and supporter of the school district and has served the district in a variety of ways. Dave has served on the Planning Commission, the Madeira Schools Foundation, and was a levy co-chair for the past two school levies. He also served on the Madeira City Council, the city's Planning Commission, and is a Past President of the Board for the Down Syndrome Association of Greater Cincinnati. Dave's professional experience includes strong leadership and a desire to serve others through the work within his own law practice - Eberly, McMahon, Copetas LLC.

He and his wife Jennifer are the parents of two Madeira graduates and currently have a Sophomore at Madeira High School.

Of the appointment, Superintendent Kenji Matsudo stated, "Dave will be a champion for our school district and we're thankful that he was willing to serve."
