## MADEIRA SCHOOLS RELEASE ANNUAL QUALITY PROFILE

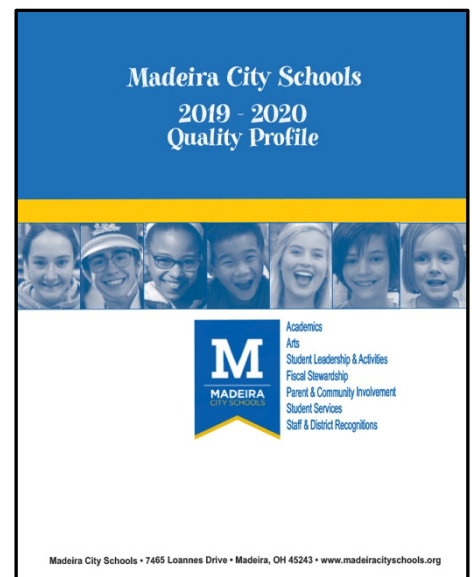

The Madeira City School District released its eighth annual Quality Profile (QP), a compilation of accomplishments from the 2019-2020 school year in areas most important to the Madeira community.

Madeira began producing the yearly QP in 2012 along with Forest Hills, Indian Hill, Loveland, Mariemont, Mason, Milford, Oak Hills, Sycamore, and Wyoming school districts. Participating schools surveyed residents to determine factors that were not represented on the state's report card that they valued in their child's education. The Madeira community-ranked Academics, Arts, Student Leadership & Activities, Fiscal Stewardship, Parent & Community Involvement, Student Services, and Staff & District Recognitions as most significant. Those areas are the foundation for Madeira's Quality Profiles.

A few of the highlights included in the most recent school year recap are; the opening of Madeira Elementary School's new STEAM (Science, Technology, Engineering, Art, Math) lab, the seventh-grade classes at Madeira Middle School's eighth annual Empty Bowls event which raises money and awareness for the fight against homelessness, poverty, and hunger, and Madeira High School's first school-based, peer-to-peer, suicide prevention program Hope Squad.

The Quality Profile is supported by the Alliance for High Quality Education - an educational consortium that works to improve educational opportunities for students and represents member districts on matters of educational policy and funding.

Today nearly 100 school districts throughout the state produce their own annual QP. Madeira's eight Quality Profiles with interactive links can be found at [www.madeiracityschools.org/Welcome/Our Quality Profile](http://www.madeiracityschools.org/Welcome/OurQualityProfile).
