

# Madeira Youth Baseball Skills Camp

Attention all future Madeira Mustang Baseball Players! The Madeira High School Baseball Team will be holding our annual Baseball Camp on Saturday, March 2nd and 9th at Madeira High School. This year will be a little different as we will focus on all three phases of baseball. The camp will focus on the fundamental skills of hitting, pitching, and defense in order for your child to be successful. While your child is learning these skills, we would like to invite all parents to the classroom whom are interested to attend a presentation about the skills and drills we will teach your children throughout the camp so they can continue to work on their skills at home. Softball players are welcome as well.
