

Madeira City Schools 2019 Educator of the Year

The Hamilton County Education Foundation (HCEF) was established by the Hamilton County Educational Service Center's Governing Board to enhance the lives of educators in our community. Through the provision of scholarships to teachers and educational professionals, the Foundation created their annual Celebrate Excellence Award to recognize and honor excellent educators throughout the public school districts of Hamilton County.

The Madeira City School District participates in the Celebrate Excellence Teacher of the Year Recognition Program and will send a district Madeira Teacher of the Year to be recognized at the HCEF Award Ceremony this spring. We invite staff, parents and community members to nominate a Madeira educator for this award.

Characteristics to be considered should include but are not limited to:

- Demonstrated high commitment to student achievement
- Has the ability to challenge students at all levels
- Is someone who extends him or herself to make a positive difference
- Continues to improve and grow professionally
- Demonstrates innovation and best practices

Nominations will be reviewed and one nominee will be selected to represent the district at the 2019 Celebrate Excellence Award Ceremony. The district representative will also be recognized by the Madeira Board of Education in May.

Nominee's Name: _____ Building: MES MMS MHS

Nominee's Position: _____

Describe how this individual demonstrates the characteristics listed above: Please be as specific as possible.

Your Name: _____ Phone: _____
