Tom Olson, Principal

Chandley Bacher, Assistant Principal

Dear Madeira Middle School Parent,

Throughout the school year there are many things sent home or mailed home regarding your child/student. This includes report cards and other information that you may wish to share with a parent living at an address different than the main mailing address for Madeira City Schools.

If there is a parent who lives at a second address who would like to receive mailings regarding the child and school, please fill out the following and have your child return it to their homeroom teacher.

Thank you,

Tom Olson, Principal

Name of child/student: _____

Name of second mailing address and relationship to child/student:

Address: _____
