

Madeira Preschool 2023-2024

Thank you for your interest in enrolling your child into the Madeira Preschool program. Registration begins with the completion of this short online form.

Registration placements will be made in this order: currently enrolled Madeira Preschool students, siblings of current Madeira Preschool students, Madeira City Schools staff children, past Madeira Preschool families, and families who are new to the Madeira Preschool (must be Madeira residents). When there is a waiting list within the program, placements will be made based on the date and time this form was received.

If you are registering multiple children, please fill out one form for each child. If you register multiple children back-to-back, the timestamp from your FIRST child entered will be used for your children entered directly after.
